

MINI PILLI

Spring (almost) 2016

*For the Members of
Pilagamish Community Club*

Dear Members,

Springtime is almost upon us, let's go camping! We had a little bit of snow this year, so come up early and do a little clean up around your membership. If you haven't been up for a while this spring will be a perfect time for you to come up. Our park is beautiful, but it takes each one of us to do our part. If you are not able to clean up your lot let Randy or a board member know, there are people who can do it at a low cost to you.

A few odds and ends:

Start collecting those raffle items, no white elephant gifts, for Memorial Day! Great ideas are: puzzles, family board games, outside kid games, crayons and books, toys, yard art, bird feeders, rope lights, wind socks, flags. Keep the adult raffle items family orientated.

Also we need volunteers during the event weekends. Please just a couple of hours will let some one else spend some time with their family.

First of the year board meeting for the membership is March 6th, see you there!

Gentle reminders, I know we sound like a broken record, but keep your speed down, all dogs on leashes and pick up their poop. Now one likes to step in the pop or weed eat and get it in your face. And everyone should enjoy a walk without getting greeted by a friendly or not so friendly dog off their leash.

The area on the 400 level is still in discussion on what the club will do with it. There are a lot of ideas and everything will be taken into account. It will take a while.
