

# THE PILLI POST

Summer 2015

A Newsletter for the Members of Pilagamish Community Club

## PRESIDENT'S REPORT

I would like to wish all our members a great summer camping season, and to thank those members who have volunteered to help with club activities, beautification and maintenance of the park, you all are much appreciated. There are ways to lend a hand, or an ear, or a voice without a huge time commitment. Your time and talents are much needed and appreciated and what makes our park a special place to enjoy.

Please we need more volunteers in the kitchen on Labor day weekend. Memorial weekend did not have enough volunteers. If we could have a couple dozen volunteers then they wouldn't have to work more than a couple of hours and will be able to enjoy their time with their families.

Donate, donate, donate to the raffles. We need good quality donations and its a blast seeing your gift going to your neighbor, friend or family. There is an adult and kid raffle that need donations. The club also sells tickets for a 50/50 and free next years dues raffle. Thank you Burn pile ladies, for sitting hours on end and taking those last minute buyers before the raffles.

As you are receiving this newsletter the annual meeting is upon us. There are three board positions to fill for a three year period. What does the Board of Directors do? The Board of Directors exercises general oversight over the management of the business and affairs of the club consistent with its primary responsibility of ensuring the club is maintained and operates for the benefit of its members. A director candidate should have the willingness and ability to devote appropriate time to the duties of a director, the ability to exercise sound judgement, evaluate and assess the many situations that arise throughout the year, and to enhance the board's ability as a governing body.

We, as a board, have endeavored to make the best possible decisions for you. The directors have been diligent with keeping the park in good shape as well as financially viable. I would like to thank all of you for your support and positive comments these past years as a director and president. Thank you.

Respectfully, John Moen, President

## A FEW REMINDERS

The next couple of Monthly Board Meetings are 8-2, 9-13, 10-4 and 11-1. Please join us for coffee and goodies and become involved in your club.

After the Annual Meeting, the gate keeper, Laura Olson has your gate cards. If you have a past due account you will need to pay up before you get your gate cards. Please contact Lora Hetzel if you need to make payment arrangements.

No BLUE TARPS! SLOW DOWN! DOGS on LEASHES! Obey the Burn Ban!

## BOARD OF DIRECTORS

John Moen <i>President</i>	425-259-4325 710, 712
Larry Jensen <i>Vice President</i>	425-259-1355 722

## CALL 911 FOR YOUR EMERGENCIES

We are all very grateful that Pete is around, but by calling 911 first, it will get the ball rolling faster. The ranger has a defibrillator.

## RANGER REPORT

Welcome to summer 2015. We had a great Memorial Day Weekend, the weather was better than some in the past and worse than others. All in all not too bad. One thing I would like to bring up quickly. Please refrain from donating any kind of alcoholic beverages to the raffle. Although they are called the "kids raffle" and the "adult raffle", there is not a raffle for the ages in between. The adult raffle should be called the family raffle. You don't know what age person is going to win the prize. Nor do you know that even if the person is of age, whether that person should not be tempted with alcohol. Just saying, there are a lot of things to donate without giving alcohol. Enough said on that. Thanks to all the volunteers over the weekend. We really need more volunteers. It seems like we get a lot of the same people. We had a few new people this time and that was fantastic, thank you again. If people would volunteer for even just a couple of hours it would be a great help. It hard for anybody to stand in the kitchen all day. Not to mention not being able to enjoy time with their families. PLEASE.....just a couple hours. Let's make it easier on everyone.

Take a look around your lots as you clean up. Look for tree roots that may have lifted over the winter. Contact me if you think you have an issue. Check your extension cords for deterioration or even critters chewing on them. Trailers can be washed in moderation. During the week it's usually not a problem, on the weekends it depends on how many people are here. Please check with me to get permission so we don't get too many at one time.

Things to remember:

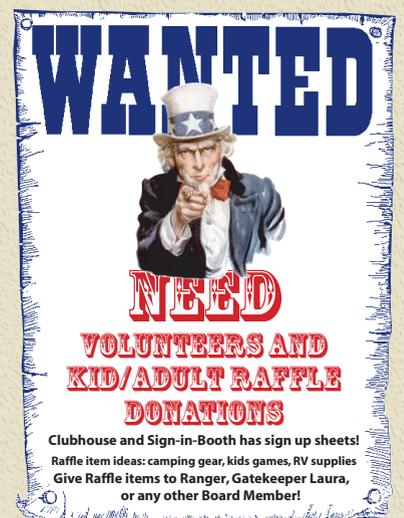

- 10 miles an hour in the park.
- Dogs on leashes and please use "poop bags", they are provided.
- One car through the gate at a time. There is a \$300.00 fine if you break the gate.
- Quiet hours are 11:00 pm on Friday and Saturday (also Sunday on holiday weekends) and 10:00 pm during the week. Be respectful of your neighbors as you would want them to be to you.
- You as members are responsible for your guests, children, and pets.

It's your park.....what are you doing to make it better?

VOLUNTEER, VOLUNTEER, VOLUNTEER and PLEASE VOLUNTEER!!!!

Oh and 10 miles an hour in the park.

Looking forward to seeing everyone and have a great summer of fun. Let's be safe and be kind to one another. Thank you, Ranger Randy
